

2024 Report by IFIP TC 3

Date: 8.10.2024

Title of TC: Education

Web-Site: <https://www.ifip-tc3.org/>

**OCG Representative: Gerald Futschek,
gerald.futschek@tuwien.ac.at**

Aims & Scope:

TC3 provides an international forum for educators to discuss research and practice in:

- teaching informatics
- educational uses of communication and information technologies (ICT)
- establishing models for informatics curricula, training programs, and teaching methodologies.
- considering the relationship of informatics in other curriculum areas.
- promoting the ongoing education of ICT professionals and those in the workforce whose employment involves the use of information and communication technologies.
- examining the impact of information and communication technologies on the whole educational environment:
 - - teaching and learning
 - administration and management of the educational enterprise
 - local, national and regional policy-making and collaboration.
